RecoveryPlanner Wins Product/Service of the Year at the DRI 2019 Awards of Excellence

As we celebrate our 20th anniversary, we are very excited to announce that on February 19th RecoveryPlanner received the 2019 Product/Service Provider of the Year Award from DRI!

Providing great products and services with exceptional support is what we strive for so we are proud to be recognized by Business Continuity professionals for this achievement. We believe this is a testament to our passionate team who are dedicated to delivering world-class solutions to a global client base and have a strong focus on Business Continuity and Resiliency requirements.

Business Continuity is a serious endeavor and we will continue to support our customers in any way that assists them to have a successful Business Continuity program with strong operational resiliency.

About the Award:

The DRI 2019 Awards of Excellence were presented at the DRI Gala Dinner in Las Vegas on Feb. 19, 2019. The Award recognizes the best in Business Continuity and Resiliency products and services developed for business continuity practitioners across all industry sectors.

About DRI International:

Founded in 1988, DRI International has more than 15,000 certified individuals in over 100 countries, and 94 percent of all Fortune 100 companies employ DRI certified professionals.

RecoveryPlanner Positioned as a LEADER in Gartner's Magic Quadrant for Business Continuity Management Program (BCMP) Solutions, Worldwide

RecoveryPlanner, a global leader in Resiliency Solutions, is pleased to announce that Gartner, Inc. has once again positioned RecoveryPlanner as a Leader in the latest Gartner "**Magic Quadrant for Business Continuity Management Program Solutions, Worldwide,**"¹ published September 12, 2019, making RecoveryPlanner a Leader in all Gartner Magic Quadrants for Business Continuity Software. The report evaluated 15 different software vendors on 15 criteria and placed RecoveryPlanner in the Leaders quadrant.

In the report Gartner "defines business continuity management program (BCMP) solutions as the primary tools used to manage BCM programs through all phases of the business continuity management (BCM) life cycle, including planning and execution." "We consider our positioning as a Leader in all Gartner Magic Quadrants for Business Continuity Management Program Solutions a confirmation that RPX, an all-in-one solution encompassing all areas BCM, is a best-of-breed BCMP Solution," said Monica Goldstein, JD, CBCP, Cofounder & CEO of RecoveryPlanner.
